

Trip to Milan, diary

1st day: The first day was very good, they showed us how the metro works, than we visited the Duomo, the Galeria V. Emanuele. A very kind woman from evolvo showed us around. Then we had some free time.

2nd day: The first day at school was good, they showed us the school's observatorium and we attended a physics class, I talked with the Italian students. We visited the Sforzesca Castello and watched one of Michelangelo's last work, Then we had some free time around the city,

3rd day: First we went to the school again and made some podcast, I teached the Italian students Hungarian, after school we went to Stadio San Siro where I bought 2 scarves after that we had some free times in the city and than we visited the top of the Duomo, the view was wonderful. After that we bought some souvenirs.

4th day: After we gave the presents to the students, some of them showed us around and showed us the best folded pizza in Milan, than we tried a Chocolate store where I ate an Ice Cream. We also went to see the Navigli canal, it was beautiful, we had some free time after that and I ate the best pizza ever.

5th day: They gave us the certification in the morning. The last day we went to a museum where the Last Dinner is showcased. It was wonderful to see it upclose. Than we went back to the accomodation.

6th day: They transported us to the Bus station.

It was a wonderful trip and Im very thankful that I could participate.
